Special instructions (Instrucciones especiales):

To prevent parasite infestation we must require that any parasite found on <animal> is treated upon arrival to our facility. **This will be done at your expense and you will not be called to be advised of any additional charges. Parasite treatments range from \$11 to \$110 depending on the parasite being treated.** If your pet has any parasites, let us know now and we will gladly give you an estimate upon request. (Cualquier paraisito que se le encuentre a su mascota sera exterminado inmediatamente. Usted sera responsable de los cargos adicionales. Los cargos fluctuan entre \$11 y \$110 dependiendo de el tipo de paraisito y el tamano de su mascota)
