**Laser Center of Orlando**

To whom it may concern,

I would like to acknowledge Jean Kelly, my BellSouth advertising representative, who was instrumental in formulating my internet and advertising program. Last year, I incorporated the BellSouth Search program and was very happy to see I was represented well on both Yahoo and Google search engines. I look forward to increased growth this year with the help of your advertising products.

Many Thanks,

Cathy Bukathy,  
Lucerne Medical Plaza
