Jim Walker's Honda | Suzuki | Yamaha

As a long time business owner, I rely on the advice of not only my employees but also my BellSouth Sales Representative, Greg Gimbert. Last year when Greg suggested bundling my Print & Internet Yellow Pages with their new Real Search engine product I decided to give it a try. The results of the Search Engine product definitely took me by surprise. Our agreement was for BellSouth to provide 30 clicks per month, but I have been getting well over 200 clicks per month. Advertising that gets these kinds of results without any effort from me is hard to come by. This year, I did even more Internet Advertising with BellSouth and am looking forward to even more good things.

Sincerely,
